## **Rendez-vous only on appointment !**

From the campsite it is only 12 miles to Chalais. At the end of the D20 do not turn right into Chalais, but left onto the D731. You will find the vet on your left after ¼ mile. After your visit continue on the D731 via Brossac to Barbezieux-St-Hilaire where you can join the toll-free dual carriageway N10 direction Angoulême and Poitiers.
